For the Guardians of Students of Class XI: 2018-19

Dear Guardian,

Namaskar.

We are happy to inform you that *Pathfinder Educational Centre* has proposed to conduct a *Classroom Programme along with Mock Test Series* at our campus during the months of *June 2018 to January 2019* as part of the preparation of our class XI students for different Engineering and Medical Entrance Examinations (JEE Main & Advanced/ NEET/AIIMS etc.). The detailed scheme is as follows.

- i. Under the said programme, *Pathfinder* will conduct 360 hours of classes (for the subjects Physics, Chemistry, Mathematics/Biology) for class XI students during the period from *June 2018 to January 2019* (30 weeks) at our campus.
- ii. Each week 12 hours of classes will be arranged during Tuesday evenings and Wednesdays. The regular school classes on Wednesdays will remain suspended. Students may have also to be present at Vidyapith campus during some periods of the Summer and Winter vacations for the classes.
- iii. Attempts will be made to complete the whole syllabi of Physics, Chemistry, Mathematics/Biology keeping in mind the pattern and requirements of JEE Main & Advanced/NEET/AIIMS etc. The best possible senior faculty members from *Pathfinder* will be employed for the classes.
- iv. Depending on the need of the students, eminent faculty members of different subjects may also independently take some classes beside this programme. Special Mathematics classes may also be arranged for Medical group students keeping in mind the requirements of their Board Examination.
- v. The total course fee for this programme is proposed to be Rs. 50,000/- (Rupees fifty thousand only) inclusive of all taxes for the class XI course. Guardians are asked to deposit this amount to Vidyapith office at the time of admission of their ward in class XI.
- vi. Besides all these, we advise our students of both Engineering and Medical groups to opt for *All India Aakash Test Series (AIATS)* which can be arranged at our campus at a concessional rate. The details regarding this will be intimated later.

Please feel free to contact us for any clarification regarding the matter.

Sincerely yours,

Jayantananda
